In fact he has photographed thousands of families in that time period and every family is extremely important to him. He knows that the average family does not do a family portrait often and will make it a special one of a kind image that you will have and cherish forever.</p> <p>The most common problems people have in family pictures are un-cooperative children, body size issues, complexion issues and glasses. Kurt knows how to overcome these problems to make your family picture a success!</p> |
